15. (Amended) The kit of claim 14, wherein the agent which causes the dissociation of a CD8⁺ cell-antibody complex is the polypeptide having the sequence AAEGGLDTQRFSG (SEQ ID NO:1).

REMARKS

Claims 1-15 are pending. Applicants have amended claims 1, 6, 11, 12, 14 and 15 in compliance with certain formality requirements. The amendments to the claims raise no issue of new matter. Accordingly, claims 1-15 are being prosecuted.

As required by the November 6th Notice, applicants submit herewith a diskette containing a computer readable sequence listing, a paper copy of the sequence listing and a verified statement. Applicants maintain that the enclosed items fully satisfy the requirements as set forth in the Notice.

Respectfully submitted,

Alan J. Morrison
